

What's Going On Out There?

The church around the world is changing. From the way people meet, to the way people worship, it's clear that this is not your mum's or dad's church anymore. So what's happening on the edges of the church? Is there a place for labyrinths or multi-media creativity in Christian worship? In what ways might internet church or Christian festivals change the future of Christian faith?

Contemporary Ways of Being the People of God

(Taught D/M445.505)

This course takes trips to the edge of the church envelope and sends back what Steve Taylor has found inside the emerging church around the globe. Topics include:
the Bible and spiritual formation
worship and mission
new forms of emerging church

This course will chart the trends and evaluate for being the people of God today.

Steve Taylor (PhD) has written *The Out of Bounds Church? Learning to Create a Community of Faith in a Culture of Change* (Zondervan 2005). He has planted an emerging church in Auckland and is currently planting more in his role as Lead Pastor at Opawa Baptist Church. He blogs at www.emergentkiwi.org.nz
