

What does a Kingdom gospel means for us at Opawa ...

God loves you and everyone else and has a plan for us: the kingdom community.

But you and everyone else have a sin problem that separates you and everyone else from God, from yourselves, from one another, and from the good world God made for you.

The good news is that Jesus lived for you, died for you, was raised for you, and sent the Spirit for you - so you all can live as the beloved community.

If you enter into Jesus' story, by repentance and faith, you can be reconnected to God, to yourself, to others, and to this world.

Those who are reconnected like this will live now as God's community and will find themselves eternally in union with God and communion with others.

They will participate in what God is doing: constructing the kingdom community even now.
